Based on the above, we contacted Mr. [], our recruiter [] and directed him to cancel his 11 November date at Michigan. Mr. [] has retained his off-campus, non-academic recruiting schedule at Holiday Inn in Ann Arbor, though, which was to have coincided with his campus recruitment. He has maintained close contact with the Office of Security and the [] regarding the possible disruption on the UM campus. Mr. [] has secured from the Placement Director the list of those who were scheduled to see him and will set a later date for closed vs. open recruitment. This means that he will have to interview them off campus, probably at the Holiday Inn, since there is no Federal facility in Ann Arbor.
